

Faculty Education Program (FEP)—Online Activities

## **Week 6—Postcourse activities**

### **Tasks:**

1. Complete postcourse self-assessment
2. Participate in the discussion on "What went well" and "next time" for the FEP

#### **Task 6.1: Complete the postcourse self-assessment**

##### **Purpose:**

1. You will benefit from it as a refresher and a personal knowledge-check of your FEP.
2. You help your educator and faculty to better understand how well the learning objectives were met.
3. You help to improve future courses.

**Task:** please go to the assessment and open it. You will be asked 4 question per competency:

1. What is your present level of this ability?
2. What is your desired level of this ability?
3. and 4. knowledge questions related to this specific competency

Please answer the questions and click the "submit" button at the end. Your results will only be used in an overall report and not on a personal level.

#### **Task 6.2: Participate in the discussion on "What went well" and "next time" for the FEP**

**Purpose:** evaluation of the FEP and suggestions to improve the program

**Task:** spend a few moments to think what your experience with the FEP was. What do you think went well (including online and face-to-face activities) and what do you think can be improved next time. Then go to the discussion forum and post your message and reply to one or two contributions of other participants.
