

AOSpine Training for Chairpersons

Module 2—Program planning

Learning objectives:

At the end of this module, participants will be able to:

- Identify the appropriate competencies defined in the core curriculum
- Adjust content according to the identified gaps (assessment) and data collected on work setting of learners
- Collaborate with the Educational Director to select the proper template and to modify/adjust to the unique needs of the learners
- Assign faculty based on their surgical and educational expertise (based on gaps)
- Maximize learning by appropriately using each selected method
- Arrange properly the physical learning environment to facilitate learning
